# COVID Reopening Report for the On Premise

June 11, 2020

#### **OVERVIEW**

BeerBoard is the leading technology company enabling the food & beverage industry to make data-driven decisions about its bar business. We manage over \$1 billion in retail draft beer sales and 45,000 products through our industry-leading solution.

Our patented digital platform captures, analyzes, and reports realtime data related to bar performance, brand insights and inventory.

The return of on premise sales and draft volume has continued to increase. In this report, we take a look at the weekend of June 5-7 and compare that to our review of Memorial Day Weekend (May 22-25).

Our reporting will continue to expand and evolve over the coming days. We look forward to sharing with you.

Cheers!
The BeerBoard Team

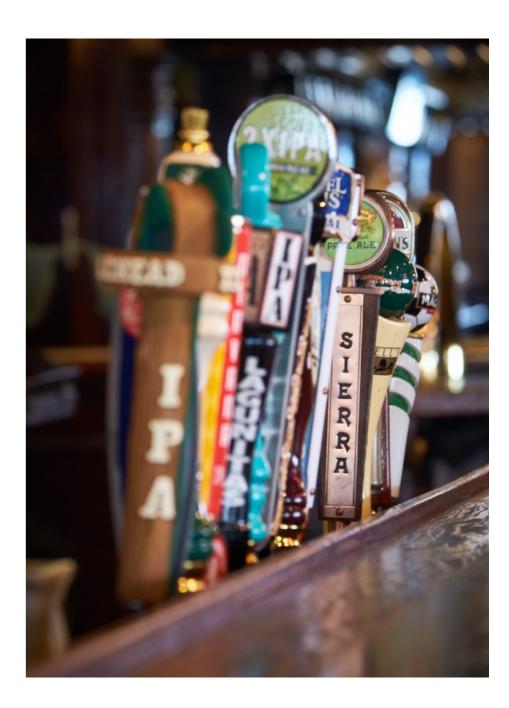

### **OPEN RATE**

Currently, every state has opened on-premise dining or announced plans to do so. New Jersey is the last state to do so (starting June 15), albeit entirely outdoor dining.

The Open Rate (locations open and pouring beer) has grown from 16% on the weekend of May 8-10 to 45% over Memorial Day Weekend (May 22-25) to 66% the weekend of June 5-7.

# CATEGORY & STYLE PERFORMANCE

Over the past two weeks, Volume Share was relatively flat among the three categories, with Imports seeing a slight bump (+0.7%) and Craft up 0.2%.

The Top 5 Styles remained unchanged over the past two weeks.
